Sir

Adverting to G O No L 2542-3/41 9-41-58 dated 1-9-1942 sanctioning the post of the Bill Collector of Melkote Municipality (Minor) for the year 1942-43 I have the honour to state that the post of the Bill Collector is being continued year after year The municipal Council in their meeting held on 5-5-43 have resolved that the appointment of the Bill-Collector may be made permanent

In this connection I wish to state that the entire establishment of Melkote Municipality consists of one clerk one Office peon one Bill Collector one Octroi and peon and 7 sweepers As the financial position of the Municipality does not admit of extra expenditure being incurred for the appointment of separate Octroi anegar or Mutsaddi for collection of Octroi the clerk of the office is entrusted with the collection of Octroi duty The Bill Collector in addition to his own duties supervises the work of the Sweepers and looks after sanitation work as there is no separate Assistant Sanitary-Inspector

As the existing establishment is too small the collection of Pohatarfa cannot be entrusted to the clerk as he has to attend to Office work and collection of Octroi It is quite necessary to have an independent Bill Collector for collection of Pohatarfa taxes as stated by the President in his report dated 20-5-1943 The Sub Division Officer French Rocks also recommends ~~xxxxxxx~~ that the post may be made permanent

I request you kindly obtain sanction of Government for making the post of the Bill Collector permanent as proposed by the Municipal Council

Necessary provision has been made and sanctioned in the current year's budget A copy of the resolution together with a statement showing collections made by the Bill-collector is enclosed for kind perusal

I have the honour to be
Sir
Your most obedient Servant,

Deputy Commissioner
